Director, Wade Smith – UCEA Excellence in Educational Leadership Award Recipient

The University Council for Educational Administration has joined its member universities in an effort to recognize the generous and varied professional contributions of practicing school administrators to the improvement and support of school administration preparation programs. The University Laboratory School is pleased to announce that Director, Wade Smith, Ph.D., has received the UCEA Excellence in Educational Leadership Award. The entire Lab School Community join together with the College of Education, in expressing our congratulations to you for this national recognition. The UCEA commends you for your professional leadership in preparing the future members of your profession. 🐾

PTA President's Message

Well, here we are at the end of another year and summer just weeks away. It has been a wonderful year with lots of great memories!

Teacher Appreciation Week was a huge success. Thank you to Tanie Bush and Adelle Netterville for their fabulous leadership. Also, thanks to all of you that volunteered your time and effort. Without people like you, these types of events would just simply not happen! It was a wonderful week.

Please make note that we have our final PTA meeting on May 5th right before the middle school band concert. This is when we will vote on the 2009-2010 PTA Board and wrap up this year's accomplishments!

Thanks to all of you that have made this year such a wonderful experience for me. I truly enjoyed serving as PTA President because of the people I worked with daily. Thanks to everyone that served on the Board; you are truly amazing! I hope you all are looking forward to those lazy days of summer as much as I am!

The year has been a huge success and I look forward to volunteering opportunities in the future.

Happy Summer, take time to just sit and enjoy! *Chris Jackson, PTA President 2008-2009* 🐾

Grandparents Club

Did you know that the Lab School had a Grandparents Club? In the early spring of 2007 a group met and formed what has become the Grandparents Club. For two years now the club has promoted and coordinated grandparent volunteers, served the school community in various ways and will now host it's second annual Spring Social. This year's Spring Social will follow Grandparent's and Grandfriend's Day on the morning of May 8th. You should have received a flyer this month either at your home or at the home of your grandchild announcing the event. The Spring Social will be held at Juban's Restaurant on Perkin's Road from 11:00 a.m. to 1:00 p.m. The event allows grandparents and grandfriends a chance to interact socially, learn a little about the Lab School, TALK ABOUT GRANDCHILDREN, and share a delightful meal. While Grandparent's and Grandfriend's Day is open to those with students in kindergarten through fifth grade, the Spring Social is for all grandparents. We hope to see many of you on the 8th at Juban's and enjoy the afternoon together! An advisory committee oversees the Grandparents Club and is made up of Beth Phillips (225-383-1804), Sylvia Duke (225-769-6295), Margaret Oatley (225-379-7329), Geraldine Roberts, Sandra Loy, Georgia Brown, Anne McElveen, Eleanor Canon, Donna Lamonte, and Dot Rumfellow. Any of these women would be glad to answer any of your questions or put a volunteer form into your hands! 🐾

U-HIGH TENNIS TEAMS VOLUNTEER AT TOURNAMENT BEFORE DEFENDING STATE TITLES

The U-High boys' and girls' tennis teams volunteered to be "ball boys" at the Price LeBlanc Lexus Pro Tennis Classic held in Baton Rouge April 6th through the 11th. UHS team members who participated were Carley Wahlborg, Mary Allison Johnson, Nicole Goddard, Caroline Burks, Ellis Ducote, Katie Breland, Katherine Rossi, Christian Armstrong, Coleman Wahlborg, Tapper Patrick, and Drayton Agnew. As our tennis players retrieved balls for the different matches, they were able to observe some of the world's most accomplished tennis players. This was a multicultural experience for the U-High teams as they met players from Australia, Germany, Korea, Canada, Great Britain, Ireland, Latvia, Indonesia, Venezuela, Thailand and the Philippines.

Both teams were undefeated again this year during the regular season. They defend their Regional titles on April 27 - 28 and their State titles on May 5-6. Competition for the UHS teams will come from the following schools: Episcopal, Newman, McGehee, Dunham, St. Thomas Aquinas and Pope John Paul. Both tournaments will be held at the Lamar Tennis Center at the Paula Manship YMCA. U-High is hosting both tournaments. The tennis teams are coached by Johnny Wahlborg who is assisted by Patsy Scates. 🐾

U-High Community Supports Habitat

The Key Club would like to thank the entire U-High Community for their support for Habitat for Humanity during the month of March. U-High was able to provide food on March 14-15 and workers for all four weeks of March. From the foundation to the landscaping, U-High was a vital part of this humanitarian effort. Additionally, many thanks to McDonalds, Domino's Pizza and Fresh Pickins for their contributions.

“Thank you so much!” to all who came to try-out. Everyone who participated had a great attitude and lots of U-High spirit during the clinic process and at try-outs. Everyone should be very proud that they did their best. 🐾
