"This is our Alma Mater
This is our School"

Join us—parents, teachers, classmates, and strangers—as we review another school year in this make-believe television broadcast.

"Your halls we bless
And in our hearts we hold thee, U.H.S."
Our PRINCIPAL

With pride and pleasure, The Cub presents our new principal, Mr. A. E. Swanson. Again, we welcome him and hope that he likes University High as much as we do.

Many students have helped with springening, especially Lore Carter, Myrtle Ford, and Anne Bowman. It is possible to call the names of all who came into work a shock or two during the long vigil in 124. (October 12—every one hour and each afternoon after school until 7:00—remember.) But other ye, but ye! Thanks to all.
Roving Reporter

Ugh, ugh-a-boo ugh-a-boo
I hear you. It's okay.

They always say that babies
must play.

The bat won't make it
past Mr. Harrison, but we'll
still love you when you've
left.

Three birds with one shot
of the camera, that is.

Quick, girls, run around
the track! Here comes Miss
Paul.

Morgen!

She's engaged! She must
use Ponda.

Time to Shine

Good Morning! This is your
announcer inviting you to
join the seniors and make
known to all that it's time to
shine.

CYNTHIA ANNE D. L. CAROLYN EDDY

Let's remember! Eleven years ago U. H. S. had its first free girls' and
among the seniors were two members of the class of 1937, Carolyn Petton
and Edly Gray. They were hitting the second grade by Maybin Bordelon,
Ruth Shoptaugh, Bobby Rayne, Kay Hutchinson and D. L. Gleeck. Seems
like a long time since then, doesn't it?

Finally we were seniors! We started the year off by welcoming Mr.
Harrison as our class advisor. Next we elected D. L. Gleeck, president; Anna
Borman, Vice-President, Carolyn Petton, Secretary-Treasurer; and Cynthia
Stout and Edly Gallego, Student Council Representatives.

Thus came the Sadie Hawkins party, prom night. Little Women, Senior
Day, final exams, and a last graduation with the traditional gowns, white
roses, red roses, and processionel music. Remember?
Junior Jamboree

Yes, the juniors jam the halls and classrooms because there are so many of them. Of course, this year preparations for the Junior-Senior Prom were foremost in the minds of all juniors. Now they're eagerly counting their senior year. Best wishes to the class of 1948!

President Mary Frances McKay
Vice-President Robert Terry
Secretary-Treasurer Nina Jo Prins
Council Representatives Jimmy Laird and George Deer

Advisor Mr. Long
Roving Reporter

If we remember correctly, monkeys like bananas too well, Mmmmm!

Now, now, boys! Let's act our own age.

Afraid you'll miss something, Jane?

Here's Nina Jo and, as always, with her arms crossed.

Why the gloomy expressions, you two?

Tut! Tut! Boys! Stay outside the Billiard Parlor.

Hah! Jack Welch, Nancy Callard, and Rosario Callejo are State Rally winners!

Freshman Frolic

Here come the freshmen who still frolic even though their sprits are a bit dampened. They are freshmen this year instead of sophomores because they will be our next twelve-year graduates.

Every six weeks they crowd the scholastic home roll and some of our best athletes hope come from this class. So you see one more year of high school simply means that they have an extra chance to give U. H. S. their best.

The Student Speaks

The speakers for our round table discussion this morning are the members of the Student Council. Our student organization consists of all the class presidents in addition to elected representatives. This year the Council, now affiliated with the National Association of Student Councils, has presented an assembly program and the traditional St. Patrick's Day party.

Dan, and Edward can be seen almost every day at lunchtime swinging that bat or arguing with the umpire.

News Roundup

As we are about to sign off, woodland of senior awards. Here with us—and in the spotlight—is Carolyn Pettus. Listen! Look! She has been named for the annual D.A.R. Citizenship and American Legion awards.

Congratulations, Carolyn!

Back in February three seniors, elected by their class, took the national Pepsi Cola Scholarship Examination: COTHERY SMOCK, DOROTHY STEAK, and CAROLYN PETTIS. No word has yet come of exam results, but we want to remind our listeners and lookers that last year U.H.S.'s Sarah Priehard was one of the two Louisiana scholarships and is now at Indiana University.

But back to this year! Well, here is SCOTTY LAMBERT, to whom the science department has given the Bauch & Lamb science award. And BOBBY RAYNE is his school's choice for the boys' American Legion award.

Good going, comrades!

And flash! Just as we ran out of time and space, word comes that our band can appear here, too. No time for names, but listen and look for these music-makers again.
Signing Off

In signing off, the staff wish to express their appreciation to all who have helped in making this broadcast a success.

We especially thank Miss Margaret Tier for the many hours she has spent working with us. Miss Tier has been our constant friend instead of just an advisor.

This is our Alina Mager.
This is our school.
We will be loyal; we will be true.

Forward you send us;
Forward we go.
We will remember; we will know.
Your halls inspire us;
Your hills we bless;
And in our hearts we hold thee, U.S.
