Summer...

Each summer, four delegates from University High, along with high school students from all over Louisiana, attend a LEADERSHIP CONFERENCE. This conference, held on the Louisiana State University campus, consists of two one-week sessions, during which our delegates attend classes in journalism, speech, recreation, or library, thus gaining valuable experience.

The School Year...

Four students from the senior class are chosen each year to attend PELICAN STATE on the L.S.U. campus. It is in effect a mythical 49th state. Its citizens are trained in and practice the practical mechanics of government. The objective of Pelican State is to educate these citizens in the duties, privileges, rights, and responsibilities of a democratic form of government.

The purpose of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of University High.

Students are elected to membership by a faculty committee and are inducted into the society at a school assembly held in the fall and spring of each year.

An outstanding project of the organization is a tutoring service offered in all subjects and available to any high school student.

Football

The Cubs got off to a strong start in 1957 when they won the Zachary 45-12. Next on the list of the doomed was Glen Oaks, which fell 32-6. U-High then opened its bid for the district title with a 12-0 win over Amite.

The next week, the gang made a classy finish to beat Baker 27-18. After this, the team had little trouble rolling over Central 46-0, St. Paul's 53-7, Franklin 41-12, and McKevan 51-0 to gain the number one rating in the district.

The Cubs clinched their first district 8-A championship by ripping a strong Redemptorist team 20-6. Two weeks afterward, U-High stopped the Bulldogs of Gonzales 20-13 for the Bi-District Championship. Two weeks after that, the Cubs ended the season by tying a powerful team from St. Francis de Sales of Houma 13-13.

All in all, it was a great season and all members of the team were proud to be a part of it. One thing which everyone approved of was the selection of Coach Wilson as District 8-A Coach of the year for his fine job of molding a championship team.

Meet the year's standout football players from U-High. They have earned their stripes as leaders and role models for the future of sportsmanship.

During the three years that Coach Wilson has been at University High School, he has continued in the tradition of our former coaches to build the entire athletic program into a successful, well-run organization. Respected and admired by everyone, he has not only trained his boys well in the fundamentals of sports and sportsmanship; he has used his influence upon them to encourage them in scholarship and character.

The purpose of the Future Business Leaders of America is to inculcate in every high school student a knowledge of the American economic system. Membership is open to anyone who is taking or has taken a commercial course.

The members of F.B.L.A. with the guidance of their faculty advisor, Mrs. Beard, sponsor a unique school-wide "Career Day" every other year.

Students attend an assembly and hear a talk by a local businessman or educator. They then participate in two successive forty-five minute discussion groups on careers that interest them.

F.B.L.A. members at work

Dr. Royal Cliburn, professor of education at Louisiana State University, speaks at the Career Day general assembly.

Mr. Byron Kaston, local attorney, speaks on law.

Mr. Robert Guymon, managing editor of the Baton Rouge STATE TIMES, speaks on careers in journalism.

Seniors...
We, the senior class, have strived towards a standard of excellence at University High. Almost half of our class members have maintained "B" and higher averages throughout their four years in high school. This achievement in grades seemed underscored when six members qualified as finalists in the National Merit Scholarship Program.

The football team, including seventeen lettering seniors, excelled in becoming Bi-District champions for the first time in the history of our school. Members of the team have been recognized regionally as well as throughout the state.

Several of the class, representing the various clubs of the school, have been elected to state and tri-state offices.

Through achievements in scholarship, leadership, and athletics, we hope that we have contributed to University High School's widespread recognition.
