Alma Mater
This is our alma mater; this is our school.
We will be loyal; we will be true.
Now we are with thee; now we are near.
Still in the future, we will love you.

Seniors...

In this last year of high school, we have had many memorable experiences which have prepared us for our lives as responsible citizens. Activities such as spending many hours in the Student Activities Room, working diligently on the Student Hay, participating in club programs, and taking part in athletic events, have drawn us closer together.

attend dances, athletic events;

study, take exams
