The CAMPUS CUB

In 1963, the Campus Cub went “wacky” in the form of a news and literary magazine. The new format enabled the Campus Cub to continue to present news stories, sports features, humor, and club news to the student body, as well as the outstanding creative literary achievements from all classes.

PELICAN STATE

Pete Proctor, Mike Roberts, Marilyn Sue Allen, and Kendall Bean attended Pelican Camp and Girls’ State on the U.S.A. Camper during the summer following their junior year. The objective of Pelican State is to educate students in the ways of American Citizenship. This purpose is achieved through the formation and administration of mythical city, county, and state governments.

LEADERSHIP CONFERENCE

University High was represented at the Leadership Conference by Mr. Pitter, Pete Proctor, and Tommy Rosenthal. Sessions held on the U.S.A. Camper trained delegates from all parts of the U.S. in such fields as leadership, government studies, newspaper, speech, and recreation. Those boys have put the knowledge gained at leadership to use in school publications.

NATIONAL MERIT
