U.H.S. IS

A Place Of LEARNING

...A Place Of ACTIVITY

PEOPLE

University High School is different things to each of its students. To all, U.H.S. is a place of learning. It is a school where teachers work hard so that the students receive the best possible high school education.

The success of many projects, to some U.H.S. is a place of activity. All of the school's clubs work in connection with the student council and faculty to enrich the high school years. Many fund raising projects are carried out for school dances and organizations throughout the state.

All agree that U.H.S.is people. Each student and faculty member is part of a group that composes a hard working institution of learning. Every person connected with University High School contributes to the lives of all.
IN MEMORIAM

Dr. Richard F. Crawford
August 30, 1966

Diligence, true devotion, and loyalty are traits to which we all aspire, but unfortunately few of us attain. University High was fortunate enough to have a man possessing all these qualities. Mr. Richard F. Crawford. With patience and understanding, Mr. Crawford served first in the capacity of mathematics teacher and then as assistant principal. He fulfilled the job of guidance counselor and taught an advanced course in algebra.

Just prior to his untimely death, Dr. Crawford had completed the work for his Ph.D. degree, which was awarded posthumously.

The influence of a man with this kind of devotion will surely leave an imprint on the lives of the students of this institution.

FACULTY
An Outstanding FACULTY
Guides Learning At U-High

While the aim of most school faculties is solely to guide and teach the high school students, the teachers at University High have a dual responsibility and purpose. Not only do they teach the regular students, but they also supervise the student teachers of the College of Education. Along with this, our faculty serves as instructors in methods courses for the L.S.U. student who will soon be doing their practice teaching.

Additional responsibilities include sponsorship for all U-High clubs and activities.

SENIORS

Begin Reaching For Higher Goals

The Senior Class of 1967 certainly thought that it was something special, but then so has every other senior class. Our year began with that long awaited homecoming meeting that told us about the trip to Washington. The long hours put into rehearse the senior play, and the rest of time had at Sadie Hawkins! Day were successful money making schemes for graduation. Of course the event that every senior will remember is that long walk to receive a reward for four years of hard study and lots of fun—the diploma!

KEY CLUB Aids Retarded Children

... roll up car window when it rains

One of the more active service clubs at U-High, Key Club participates in community projects as well as school activities. Their civic projects for this year included teaching retarded children how to swim, exercising brain injured children, and participating in the city-wide money drive for Muscular Dystrophy. Much of the success of University High’s football season depends on the diligent work of Key Club. The club provides football programs for home games and builds the popular Homecoming bonfire. Key Club is also co-sponsor for the annual cake and pie contest. Mr. Jack Carson acts as advisor with Dorsey Singletary and Suzy Owen as Sponsors.
Y-TEENS Sell Poppies For Veterans

Sponsored by the Y.W.C.A., University High’s Y-Teens is active in service projects throughout the school year. For example, the girls annually work in shifts on the L.S.U. campus to sell poppies for disabled veterans. The Y-Teens style show is always a big event. This year’s chairman, Maurine Hebert brought the school special recognition by winning the city wide trophy for most tickets sold. For Christmas Y-Teens decorated the office Christmas tree and helped a needy family to enjoy a merry holiday. A Mr. Irresistible contest was also part on by the club and proved to be a big hit. One of the more special services of the organization this year was the aid given to disabled children at the Y.W.C.A. center. Through hard work and cooperation Y-Teens is recognized as a very successful organization.

Y-Teen Poppy Sale benefited disabled veterans.

Y-Teens ring bells at Christmas for Volunteer of America.

COMPLIMENTS OF Y-TEENS
HI-Y Serves

Our School

The members of HI-Y really started the year off right by helping the freshman girls of L.S.U. unload their luggage. Annually, they run the concession stand at the football games and clean up the stadium for following games. Religious Emphasis Week is always an important event. This year's service, sponsored by HI-Y, was especially inspiring.

Our City

The services performed by HI-Y are numerous. They include ringing bells for the Volunteers of America, working for the March of Dimes and Muscular Dystrophy drives, and acting as co-sponsors of Heart Research Day. HI-Y is not all work, though. Amongst their social events is a joint hay-ride with Y-Teens that is always enjoyed by the students.

Our State

HI-Y Members prepare a bill for the YMCA Youth Legislature.
Fun And Good Eatin’ At
The FHA Cake And Pie Contest

Founded in 1947, the University High School chapter of the Future Homemakers of America serves the community as well as the student body. FHA annually participates in many service activities. These include food collection for a needy family at Christmas, a donation drive for the school's costume closet, and a party for the Protestant Girls Home in Kansas City. Throughout the school year, FHA participates in a number of money-making projects such as selling candy and stationary. The cake and pie contest is a favorite project, as is the FHA style show.

Ads To Finance The Cub Keeps BUSINESS STAFF On The Go

The Cub Business Staff plays an important in the production of University High's publications, the Cub and the Campus Cub. In order to support these publications, Business Staff members work hard selling courtesy spaces to business establishments throughout Baton Rouge. Their most important job, however, is the actual sale of the yearbook and Campus Cub to the students.

RICHARD ANDERSON, business manager, and Mrs. Beard, secretary, work together on finances.
CUB STAFF Labors Long Hours To Produce the 1967 CUB

Impossible deadlines and lack of staff are obstacles which face the Cub Editorial Staff. Advisor, Mrs. Whittington Vick and photographer Dr. J.C. Long aid students in coordination of the Cub. Through the combined efforts of the staff, advisors and the U-High student body, the publication of the Cub is made possible.

Members of the Campus CUB and QUILL AND SCROLL Create Through Writing

Members of the Campus CUB Staff, composed of University High School Juniors and Seniors, compile the Campus CUB, University High's literary magazine. The Campus CUB Staff reviews many compositions, prose and poetry, to be entered in the annually published Campus CUB. Mrs. Lena LeBlance is advisor for both Campus CUB and QUILL and SCROLL.

An honorary organization of national standing, QUILL and SCROLL is solely for the purpose of recognizing those students at University High who excel in the field of publications. Students chosen for membership in QUILL and SCROLL, this year headed by Sam Menelee, are situated in the upper third of their class and are chosen for work on the Cub Staff and Campus CUB Staff.

Dr. J.C. Long-photographer for THE CUB.

Cub Staff members pause during a busy meeting to smile for the photographer.

A swell looking time was had by everyone at U-Hi’s after-prom including Jason Pragel who demonstrated the latest fanny packs.

SPORTS
FOOTBALL TEAM Captures District 8-A Championship

Coach Glen Brady, Co-Captains Del Walker and Harry Burrow, and Coach Jane Wilson.

Recipients of awards at the Football Banquet were Harry Burrow, Most Valuable Player Award and Scholar-Athlete Award; Mike Jones, Most Improved Award; Will Johnson, First Team All-Star Award; Clark Halsey, Steve Smith Award; Del Walker, Most Valuable Player; and Bunny Gamblin, Spirit Award.

Managers for the football team were David Johnson, Mark Lee, Will Winemiller, and David Collin. A special thanks to Sue Williams and Dan West.
The U-High Cubs squeezed out a 20-19 victory over the Plaquemine Green Devils in the season opener for new head coach Glenn Brady. The Cubs showed an explosive offense and a strong defense against the AA-eleven but made enough mistakes to keep the Devils in the game until the end. The Devils scored on the fourth play of the game, and things looked bad for the Cubs. The Cubs bounced back, though, and scored three consecutive touchdowns before Plaquemine got moving again. The Devils scored twice to make it 20-19 and were threatening again when linebacker Tim Maddox intercepted a pass on the U-High five yards line in the final moments of the game to secure a Cub victory.
U-HIGH 27 PORT ALLEN 6

The most significant game was Port Allen, which was the first time in the entire season that the Cubs were defeated at home. The P-A team was led by a strong defense, which forced five turnovers and held the Cubs to their lowest offensive output of the season. The Cubs fell short in this game, which was a key moment in the season as it marked their first loss of the year.

U-HIGH 6 LUTCHER 25

Next, the U-High squad went to Lutcher and lost by a score of 6-25, which was a significant setback for the Cubs. Lutcher's defense was strong, limiting the Cubs' ability to score. The game was marked by a number of turnovers, which worked against the Cubs.

U-HIGH 33 DONALDSVILLE 6

The game with Donalsville was a close one, with the Cubs winning by a score of 33-6. The game was marked by a strong offensive performance by the Cubs, who capitalized on their quarterback's performance. The defense was also strong, limiting the opposition to only six points.

U-HIGH 14 INDEPENDENCE 0

The Independence game was a low-scoring affair, with the Cubs winning by a score of 14-0. The game was marked by a strong defense, which held the opposition to only two points. The offense was efficient, particularly in the second half.

U-HIGH 19 WALKER 6

Walker proved to be a tough opponent for the Cubs, with a score of 19-6. The defense was strong, limiting the Walker offense to only six points. The game was marked by a strong defensive performance.

U-HIGH 28 FRANKLINTON 11

The game with Franklinton was a close one, with the Cubs winning by a score of 28-11. The game was marked by a strong offensive performance, particularly in the second half.

U-HIGH 20 ST. FRANCISVILLE 0

U-High went into St. Francisville in the final regular game of the season. The game was a low-scoring affair, with the Cubs winning by a score of 20-0. The game was marked by a strong defense, which held the opposition to only two points.

U-HIGH 14 NEWMAN 1

The game with Newman was a low-scoring affair, with the Cubs winning by a score of 14-1. The defense was strong, limiting the Newman offense to only one point. The offense was efficient, particularly in the second half.

CHEERLEADERS Win Second At Cheerleader Camp

On the mornings of the football and basketball games, the student body is greeted by posters and leader stickers filling the halls with such slogans as "Go Cubs" and "Flow-Is-Core." This is a contribution of the cheerleaders, who spend many hours decorating for pre-game's activities, as well as for after parties. This year our cheerleaders brought extra recognition to U-High by winning second place at the cheerleader camp in Natchitoches.

BACK ROW: Doris Singley, Mary Guests, Sue Owen, Marymeh Daugherty, Ann Wilkison. FRONT ROW: Laura Prince, David Martin, Ann Mitchell.

SPONSORS Pull For Cubs

A U-High student always knows when school is about to start by the number of circulars and information sheets he receives in the mail. Among these is always the letter from the sponsors about their annual season ticket sale. This year Connie and Jayne sold the second highest number of tickets in the history of the school. At pep rallies, the sponsors help keep team spirit high by presenting each player with a favor. In order to award the boys who have done especially well in the fields of sports, the sponsors arrange the football and spring sports Barquets. This year the girls helped sell at the Temple Coaster during U-High Day and also helped the Dads Club put on a barbecue. The sponsors are invaluable to our school athletic program for they have in the morale and spirit of the entire student body.

BASEBALL TEAM Hopeful Of Another Good Season

The U-High Baseball team hoped to improve this year over their third place finish in district competition last year. They have a number of returning lettermen who should provide a nucleus for the team, plus some new boys who show great promise. This combination should make the Cub strong contenders in district play this season.
