SHARE THE MOMENT ...

In the publication of the 1983 CUB it was the staff’s intention to remember a special part of the 1982-83 school year. We hope to have captured a part of every special event that happened at U-High this fall and winter. The pictures that you see are rewards of the dedication of Karen McCaskill, Betsy Jones, and John Crawford, Kristin Ringquist, David Hail, and Jim Land. The copy is compliments of Karen McCaskill, Betsy Jones, and the club president. Each staff member hopes that you will enjoy and remember the 1982-83 school year as you look through this edition of THE CUB.

STUDENT LIFE ...

These clubs and organizations represent many of the extra-curricular activities in which the students of University High have participated.
THE ART OF STUDYING...

The “art of studying” calls for very accomplished skills at U-High. You must appear to be doing so work. A guise such as sleeping, chatting, or staring into space usually works well enough to convince the teachers that your brain is definitely not thinking about English, math, or any other school-related subject. More drastic measures are necessary to convince other students that you aren’t doing your assignments. Listening to handheld radios during class and doodling sketches, not just designs, are methods commonly used to deceive peers. The students at UHS are great procrastinators, but somehow manage to get their work done just in the nick of time.

WHILE SITTING IN CLASS, Jasmine doesn’t look very focused.

HELPFUL HAREM... Bob and Brad have a good chance of making an “A” with help like that.

SUCCESSFUL STUDENT COUNCIL ...

From the opening assembly in the first day of school, the Student Council planned all student activities. They worked hard to make sure that the students had an enjoyable year under the leadership of Kathleen Hidrich and Mr. Vincent Gagnon. The Student Council had a very successful year for the student body.

Some of the activities Student Council coordinated this year were the Homecoming and Winter Formal. They also had to plan the band or Elf to play for the dances and to make all preparations for photographers and decorations. These two dances were big successes with the students due to the hard work of the Student Council.

Another activity Student Council coordinated this year was Spirit Week. Instead of having Spirit Week in football season as usual, the council voted to move the event to the basketball season for more student participation.

One of the big debates in Student Council this year was whether or not to make the clubs at University High co-ed. This plan was introduced as HI-Y petitioned to become co-ed. After much debate and deliberation by the Council, it was decided that the club should not go co-ed. Four members of the Council (Bradley Asoum, Eric Schroeder, Cynthia Bechler, and Stacie Gason) attended the Louisiana Association Student Council Convention this year, helping back many helpful activities and plans for Student Council. Many of these plans were put into action at Spirit Week.

Thanks to the Student Council, this year’s activities came off as a big success.

TAKING NOTES? Tim is not really studying; he took Kim’s place as Secretary for the day.

SHALL WE TAKE A VOTE? Kathleen leads the meeting on the discussion of Spirit Week.

WHAT'S THIS? Jeannie and Nick look with some astonishment at what they think is homework, but it's really the minute.

SPONSOR DR. DAIGLE watches the meeting with interest.

DAYDREAMS: The meeting got a little long, and Fred's started thinking for the weekend.
HELPFUL HI-Y ...

This year's HI-Y had an excellent year. With only twelve members they accomplished a great deal. One of their first projects this year was to help clean up the school grounds and straighten the classrooms. The members also participated in the YMCA Youth Legislature Program. The members of HI-Y were a great help at the U-High sports events by running the concession stands. Under the leadership of Al Faber, sponsor, and Charlie Gamble, president, the club accomplished many helpful activities for the school.

WHAT A WONDERFUL DAY! explains Beecie as she finds out who her big sister is.

THOSE PICKY EATERS... Dee Dee, Holly, and Mollie try a little salad to see if it is good.

This year Uniteens had many successful activities and projects. Their projects for the fall included helping the Art Club decorate for Homecoming, collecting canned goods for the kitchen workers at Christmas, and handing out cookies to the teachers for Christmas presents. Their spring projects were teacher appreciation week, end of the year party for the girls and teachers, and peanut pet week.

Uniteens also had many activities this year among which were having a big sister party, a barbecue with Hi-Y, a banana split party, and an Easter Party with FHA.

Under the leadership of Mrs. Mackey, Keesee McCaskill, and all the other officers, Uniteens had a very exciting year.

A SERIOUS BREAKDOWN! Our devoted provider, Karen McCaskill, tries to get organized.
The CBS Key Club was very active this year. Over the summer, Paul Eames and Dean Batach traveled to the International Key Club Convention in Chicago. In the fall, the Key Club helped the freshmen girls at LSU haul their luggage into their dorms. Over the Labor Day weekend, the Club participated in the annual Jerry Lewis telethon by answering telephones. Later in September, the members sponsored a blood drive at E-High for the Community Blood Bank. Among their other projects were helping at the Halloween haunted houses, making Christmas trees, and participating in a club mixer with Catholic High and Baton Rouge High.

OH BOY! Jerry, Troy, and Trey get excited about this year's service project.

FANTASTIC FHA...

This year FHA started off with a bang with a pep breakfast for Homecoming! They sold doughnuts and had a terrific time. At Christmas the girls had a party to exchange Christmas ornaments and be festive. For a project they sold M&Ms around the school grounds so that they might take an end-of-the-year trip to New Orleans.

ENJOYING those delicious FHA doughnuts, Rich, Paul, Brad, and Brennan can't even take time out to talk to us.

FOR THOSE HUNGRY CUSTOMERS, Jean Ann brings out baskets of doughnuts.

NOTEWORTHY NHS ...

Being a member of the National Honor Society at University High is a privilege which only a few enjoy. Only twenty new members were elected this January to become members. In April a banquet will be given in honor of the new National Honor Society members so that they can receive their medals and certificates of membership.

Bettie Jones and Franklin Foil were also given the honor of being awarded the National Honor Society Scholarship.

NATIONAL HONOR SOCIETY MEMBERS:
Prasad, Karen Fox, Wendy Woodland, Lauren Hill, Betsy Jones, Laura Stivender, Stephanie Ford, Betty Kravitz, Kristen Brown, Sue Smith, Michael Calkins, Tom Williams, Linda Larson, Sara Reed, Scott Davis, Ann Holcomb, Carol Richardson, Linda Richards, and Doris Noddings.

NATIONAL HONOR SOCIETY OFFICERS:
Bettie Jones, Vice President; Laura Hill, President; Wendy Woodland, Secretary; Nick Fox, Treasurer.

MAKING OUT HER REPORT, Wendy finds those numbers up for nomination.

WHAT'S THIS, a B? You must be kidding! carsume Laura as she looks over grade averages.

JIM-DANDY JETS ...

The members of Jets, the students enrolled in physics, learned a lot this year. Their major activity was building and firing rockets. The class spent a couple of days building and painting the rockets, then when they finished them off, the members of Jets made many calculations concerning velocity, acceleration, and distance. All in all, the Jets enjoyed this year a great deal.

CAREFUL CALCULATIONS, as Kathy Van Gliss will tell you, are an important part of physics.

THE LAWS OF PHYSICS SAY that what goes up must come down, even so.

1982-83 JETS: (first row) Marcia Vuk, Jeff Sanford, Bill Crawford, Franklin Fox; (second row) Stacey, John, James Shirley, Dean, Bruce, Bill Cooper, Lee Griffin, Betty Sears, Lauren Hill, Cary Lewis, Mark Field, Mike Smit, Glen Hartwig, Kurt Armstrong, Kim Cooper, Germaine Taylor, Oliver Brown, Debra Penders, Bob Naimow, and Theodore Brown.

FANTASTIC FRENCH CLUB...

This year the French and Spanish clubs had a wonderful year as always. The clubs once again held their joint sopapilla/baguette breakfast, which is quickly becoming a tradition. Foreign language week once again got the whole school involved in the French and Spanish language. The Spanish Club planned and prepared a Spanish meal from beginning to end. The French Club took a field trip to La Maison Française to study French architecture and sample the cuisine.

Spanish Club/STUDENT LIFE 35
In the summer of '82, it was decided that University High should have an American Field Service Club to bring in foreign culture to our school. The club was founded by Mrs. Harris, Mrs. Jendralowski, Mrs. Philhaber, Mrs. Baker, and many supportive parents of University High students. This past summer, Yolanda Sanchez arrived in the United States to begin her stay with her new family, the Gustavics. This is her story:

My name is Yolanda, the capital of Spain. I have two sisters, Olga, thirteen years old, and Ganna, my twin sister; she is in the US. My parents are teachers; my dad specializes in physics. I like painting and writing, but I have great interest in modern dance and theater.

I made the decision to come to the United States, but my parents thought I was too young. I convinced them of the importance of this trip, and they agreed to let me come. I am very glad they did.

I am a very lucky girl. I found here a life as nice as my Spanish life. The Gustavics are a very nice family who have made many friends here, and I like UHS because it is like a big family. The teachers and students form a wonderful group of people that I will miss when I return to Spain. I want to thank everyone for their help and kindness.

Yolanda Sanchez
Everyone enjoyed Yolanda's stay, and we will miss her very much.

**ARTISTIC ART CLUB**

Under the leadership of Leigh Ann Godfrey and Mr. Davis, the Art Club had an outstanding year. They once again did an excellent job decorating for the two school dances. Homecoming and Winter Formal. They placed second in the McDonald's window painting contest. They also had an exhibit of the creations that all the students had made during the year. The club took a trip to New Orleans to visit several art exhibits. The Art Club had a very enjoyable and successful year.

**ART CLUB OFFICERS:**
- Holly Bunnecce, Vice President
- Leigh Ann Godfrey, President
- Bob Martin, Secretary
- Oliver Brown, Head of Design

**ART CLUB MEMBERS:**
This year was a special year for the choir. They were selected as one of the five choirs from the United States to participate in a festival with the Mormon Tabernacle Choir, Brigham Young University in Utah. All the choir members worked hard to raise money and perform the Gilbert and Sullivan Opera, H.M.S. Pinafore. The musical was a big success as everyone enjoyed the year in the 1965-66 Choir.

CHORUS OFFICERS: (First Row) Loura Jones, Altos Leader; Stephanie Hyde, Soprano; Jules Philbrook, Librarian; Katherine VanDusen, Alto Chairperson; Claudia Bates, Tenor Chairperson; Jennifer Timmons, Secretary; Eula Wright, Treasuerer; Nick Fox, President; Sophia Tucker, Vice-President; Leigh Ann Woodland, Robe Chairperson.

CONCERT BAND OFFICERS: Bradley Atchins, Treasurer; Tara Sells, Secretary; Dean Bartels, President; Eric Schneider, Vice-President.

This year the concert band worked very hard. They put on their annual Christmas concert and participated in the Solo and Ensemble Festival where they received many first place awards. This spring they planned to participate in the Dallas Six Flags Festival and to hold a Spring Concert. The concert band did a great job under the leadership of Dr. Coats, the director, and Dean Barrels, their president.
BANDING TOGETHER...

WHO PLAYED THE WRONG NOTE? Jodi Boscariol, who has been in the band since her junior year, was the only one to find it amusing.

This year a large number of new members joined marching band to share in the excitement of building Cub spirit. They performed at most away games as well as home games. They played such songs as "LaBamba," "Pamee," "Pepsi's Got Your Taste," and several old favorites.

The band members worked hard to show their spirit and did a good job of raising the spirits of the cheerleaders and the cheerleaders. The band accompanied the majorettes and the dance group at all home games.

The Pep Band showed great spirit at the pep rallies. Marc Puetz and Scott Hauge were favorites for playing "Fight." The Pep Band attended Cub pep rallies during and after school and pep breakfasts. Cub spirit is an important part of all sports without the bands, spirit would not be possible.

WAITING FOR HIS TIME to play, Vaughn Landry watches the game.

A CHANCE TO LET GO...

This year was a very exciting one for the majorettes. The squad was relatively young; there were only three returning majorettes. During the summer, the squad attended camp at which they received superior ratings on a dance routine. The majorettes performed at four home games and two away games. They also performed at two pep rallies and the Homecoming pep rally. The squad performed to songs such as "Na Na Hey Hey," "Pakin' Pastah," "Center Fold," "Labamba," and "Fame." This year's squad also had a chance to perform in the Super Dome for the football state finals. The girls put in lots of hard work making locker stickers and assisting their mothers in making new uniforms.

The majorettes did a great job of showing Cub spirit and were appreciated by the student body for their participation.

1982-'83 was a great year for the Spirit Steppers. Wendy Woodland was the only returning dancer and was the team's captain. The rest of the dancers were selected in the spring of '82 by Dr. Chaste and the LSU Golden Girls. This past summer the girls attended camp at Tulane, learning many well-choreographed routines and earning a sweepstakes trophy and spirit award for their dance routines.

This fall the dancers were dedicated to their jobs and practiced every day after school during the football season. They did a wonderful job dancing at every home football game and at the Super Dance. The fans really appreciated their Cub spirit and dedication.

THE SPIRIT...

Can you imagine Cubbie life without the boosters—no locker salutations, no booster breakfast at HOP, no bright cheering faces at pep rallies and football games, no prize hamburgers at cold games, and most of all no wrapped boxes at Homecoming. Sometimes the fans may seem a little disorganized, but with the help of their sponsor, Ms. Shirley, and their president, Jeanne Shirley, they did a very good job this year. Yes, boosters brighten up U High sports and keep Cub spirit soaring. This year the boosters followed the football team everywhere, all the way to the Superdome.

MOUTH OPEN AS USUAL, Jeanne Shirley braves with Cub spirit at the pep rallies.

Jumping into spirit, Jean Ann gets excited about the game for tonight.

Being a sponsor is no easy job. Jean Ann McKernan and Ashley Smith soon found this out after they were elected by the football team in the spring of '82.

First, they found they had to plan for the spring banquet and all the everyday duties. They had to serve "Quick Kick" to the track team. During the summer and fall, they had to work at every football practice and game to raise spirits and morale, to serve "Quick Kick," etc. They also helped make locker signs and treats for the football players for every game. Later in the year they had to assume similar responsibilities with the basketball team.

Even though being a sponsor is no easy job for anyone to undertake, Jean Ann and Ashley did an excellent job and managed "to stir things up."

"ONE FOR ALL, ALL FOR ONE"...the cheerleaders show what togetherness can accomplish.

This year, as evidenced by winning seasons, the cheerleaders did a great job of raising Cub spirit and support. They began the year with a splendid, spritful, which is always a great success. They also made signs, with the aid of the Boosters, for all of the games. At each game and pep rally, they cheered with ceaseless energy, infecting all with their spirit and desire for victory. Obviously, they were successful. The cheerleaders were conspicuous at all football, volleyball, and basketball games. THIS AIN'T FOOTBALL

In the spring of '82, the two captains, Dennis Munn and Jeff Martin, were elected by their fellow football players. During the summer under the leadership of the captains, they practiced diligently in hopes of obtaining a district championship. After the loss to Churchill, the team realized that the goal would be difficult to obtain. They won the next game against Hamlin but lost to St. John. The team did not let the "dream" die. They went on fighting and did an excellent job, and succeeded in becoming second in district. However, they played well enough to be one of the few teams to have the honor of playing in the state finals.

On Friday the third of December our football team realized that their dream had come true. They were going to the state final game on December eleventh at the Superdome. After beating Kenwood, Mingham, and Ecole Classique, our team felt fairly confident of winning the state final against the Southern Lab Kittens.

On the week of December fifth the team began hard, grueling practices to get ready for the final showdown. Finally, the eleventh arrived, and the team left for New Orleans at twelve that afternoon. At two the team ate lunch at Morrison's Cafeteria, and one could tell the tension was starting to build. At three the team arrived at the Dome and began their pregame preparations. By this time their only thought in mind was to beat the Kittens. At six the game began. The Cats fought hard to become the state champs, but lost by fourteen points. However, the team was not disappointed to be second in state.

Faking a Pass. Bradley Ascoon then rushes for yardage.

Brian and Dean Block, while Dennis runs the option play.

Our Daring Defense. Brian and Deanman do a great job of defending against the pass play.

Constantly Coaching and Caring. Coach drills give Dennis some instructions for the next play.

THE BLITZ...Bill, Lee, and Frank hits as the Kittens try to run the ball.

SNAPPING AROUND...Dennis runs the quarterback sneak while Brian and Craig block.

MONDAY NIGHTS CAN BE TOUGH...

This year the JV team did a really good job under the effective leadership of Patrick Turner, quarterback; Mike Atkin and Marc Peas, running backs; with Brian Hartley and Jim Fox, amazing other important positions. The defense was led by David French, Conner Egin, Jim Franke, Chris Godfrey, and David Shelby. Assisted by Jeff Goddy. Mr. Roberts did an excellent job of coaching the boys. Since many of these players will join the varsity team next season, the JV team is an important part of the whole football program at U-High. We wish the boys luck because they will find that "FRIDAY nights can be tough."

POP TALK... The boys get together to discuss game plans.

THE GAME TALK... Mr. Roberts coaches the JV team in practice.

PRACTICE, PRACTICE... The team practices their passing game.

GET 'EM BOYS... The offense tries for the magical touchdown.

WE DID GOOD... News is the time for the defense to do their job.

THOSE WONDERFUL WARM UPS... Karl Dunmore practices hard for the next game.

CONCENTRATION... Patrick Turner contemplates what he must do in the next play.

GETTIN' READY... The boys show their strength for Monday night's game.
NOT HALF BAD!

In the fall of 36, eight dedicated girls came out for the volleyball team. Under the leadership of Coach Jan Kolman, they began practicing everyday after school. The girls were devoted to making the team better and having a successful season. At their practices, they learned several new plays and exercises that would better prepare them for the upcoming season. Under the team's co-captains, Debra Starks and Katherine VanDuzee, the team went on to win three games. They did an excellent job this year and were not "half bad."

WET READY TO SCORE... Staci Hallwaaks the ball over the net.

PRACTICE MAKES PERFECT! Masi and Charita practice after school.

SHOW 'EM THAT MEAN LOOK... Angela Parker concentrates on the game.

WATTIN' TO POUNCE on the ball, Masi, Charita, Debra, Shari, and Lisa make ready.

THOSE WONDERFUL CUB FANS . . .

Some support comes from Mr. and Mrs. Kane throughout the football season. At a U-High basketball game, Ty and Robin watch attentively.

These pages are dedicated to those fans, both young and old, who have given their undying support to the Cubs. Of course, the expression of this support varies. There are the serious-minded former Cubs who diligently support their alma mater. Parents, younger brothers and sisters, as well as students, offer their spirited cheers to spark the boys on to victory. Then there are the indescribable “Hack Row Bums.” It’s no wonder the U-High Cubs can’t be beat.

Seniors of ’82 come to the support of the Cubs.

A pat on the shoulder. Congratulations, David, for a job well done.

The back row bums. We’re loyal runners on the concession stand. Men’s Club always shows its support.

The smiling faces of Mr. Henley and Mr. Wajah prove that the Cubs must be winning again.

Ready to cheer on the Cubs, Lisa prepares for victory.

Jim Nashum came to one of the pre-season games to show his Cub spirit.

Loyal fan . . . Will Smith attended many Cub football games to cheer on his Dad’s team.

ON THE RISE...

A WELL-DESERVED BREAK... Germaine takes a drink of water after a hot basketball game.

BASKETBALL, NOT BALLET... Debra, you have your activities confused.

This year the girls' basketball team had only eight players, but they still managed to have a good season. They proved that quality is more important than quantity. The team won twelve games overall and lost only four, but unfortunately those four were district games, so the girls placed third in district. This accomplishment was strongly aided by their coach, Miss Coleman, and their captain of two years, Germaine Tate.

A LOOK OF SURPRISE appears on Missy's face when we snapped her picture.

SOME LAST MINUTE advice before the next quarter starts.

TWO POINTS... Debra shoots over buying Knight.

GERMAINE WATCHES Marilyn get down to the basketball best.

HUSTLE... Debra jumps down the court to foil the other team's attempts to score.

“HEY, MISSY! THINK FAST!” with Beth.
THE SUCCESSORS TO POWER...

FOR SURE... When Mark Washington is defending, there is confidence in the air.

REBOUND! Bradley Acasino warms up with his teammate before the big game.

For the second year in a row, the University High boys' junior varsity team has won the junior varsity district championship. The junior varsity team has not been defeated in the past thirty-six games over the last two seasons. The team rotates players in every game so that everyone will have a chance to play. The J.V. coach is Coach Strally, who has done an excellent job.

SNIFF... That's what the net says when Bill Griffin shoots a free shot.

WHEN BRADLEY SHOOTS... everybody watches.

CONFERENCE TIME... Coach Magness gives his team some advice during a time out.

I'VE GOT IT... Mitch Taylor sidesteps to successfully guard his opponent.

THE OTHER GUYS don't have a chance when Bradley has the ball.

THE OTHER GUYS wish he didn't have Mark Washington guarding him.
WE BUILD EXCITEMENT...

This year's rarity team had a year of superlatives. Winning twenty-five games, the team lost only three, one each to Episcopal, White Castle, and Southern Lab. At the end of the regular season, U-High and Southern Lab tied for the District Championship. A play-off game resulted in U-High's winning the title by three points. The first pay-off game for State saw U-High winning by a decisive margin over Woodland. Our team next met and defeated Alex Brown in a great come-from-behind victory. They then journeyed to the LSU Assembly Center to soundly defeat Pascagoula. In the State Final game, the Cats had an outstanding victory over Loganport to capture the STATE CLASS A CHAMPIONSHIP!!!

Individuals involved with the 1983 team also had a year of superlatives. Our coach, Gerald Furr, was selected as the 1983 District 6-4 Coach of the Year and as the 1983 All State Basketball Coach. Team member Oliver Brown received many accolades, such as First Team All-District, District 6-1 Most Valuable Player, "Top 24" Tournament Team, and All-State. Oliver was also selected to play in the 1983 All State Game. Another senior, Bruce Wright, was honored as a member of the Second Team All-District.

The entire squad proved itself worthy of the title CLASS A STATE CHAMPS. We salute the 1983 University High basketball team.

GORDON TAKES TIME to relax and have a little water.

CLASS A STATE CHAMPS

He does it again! Sapra shoots for two and wean up the victory.

He's not really shooting. He's trying out a new ballet step.

It's a timing game! Just ask Gordon how many times he has run the court.

IF MAKE DOESN'T make it, Daniel will.

IT'S UP for two! Oliver goes for a drop-in.

TRYING for the rebound. Bruce flexes his muscles.
STRATEGY ... The team receives some valuable last-minute advice from Coach Farr.

THE REBOUND ... With Daniel jumping, the other guy doesn't have a chance.

CLOSE ATTENTION ... Oliver always concentrates on his game, and IT SHOWS!!!

UP, UP, AND AWAY goes Gordon. Can everybody see his 12 mou...?wide?

UkSS is the name of the game, and Bruce does it well.

A SURE TWO ... When Daniel shoots, the scoreboard clicks.

YOU TAKE IT ... Theodore passes the ball to a teammate to score.

BRING IT ON DOWN the court for two points.

SHOOT THAT BALL through the hoop, Bruce.
THE WAY ...

In February of 1985, the track and field team began their practices. They were due to run in several meets with events such as the javelin, the shot put, and the mile run. Unfortunately, before they could begin their true season, our last deadline for the yearbook arrived. We regret that we were not able to cover their season.

TRAINING CAN BE DIFFICULT before track season. Todd and Will lift weights for several weeks.
BORN TO RUN ...

WORKING ON HIS PACE, Larry stays his strength for the last part.

FEELIN' FREE: Jim George enjoys the six-mile run.

RUN FOR YOUR LIFE! Jon Prestett and Brian Goodworth enjoy running.

WARMIN' UP: Will starts his warm-ups for the dog's practice around the LSU lake.

DETERMINATION: a very necessary ingredient for winning as shown by Rob Barton.

THE EXCITEMENT BEGINS as the gun echoes and the race is off.

ALWAYS RUNNING ... Anne shows her enthusiasm by running to the photo spot.

MAKING THE STRIVING EFFORT, Will headed for first place.
COURTING A NEW LOOK...

This year's tennis team played eleven matches during the 1983 season. They were invited to play in the regional teams tournament at Tulane University. Persons qualifying in that tournament competed in the State Meet held at Jackson. This year's tennis team members were Brennan Kern, Josh Karras, Mackie Vick, George Schwab, Keith Armstrong, DeWitt Ladner, Daniel Kins, Mark Hollingsworth, Mitch Taylor, Michelle Vega, Molly Fine, Surls McCloud, Mary Hill, Cynthia Badley, Ashley Sensi, Arden Ruffal, Collette Brown, Luce Leurer, Shanna May, and Beth Griffin. Tennis team coach was Mr. Ater.

SILENCE! Collette takes a break to watch the match.

WHAT A SHOT! Keith returns the overhead smash.

BECAUSE LIFE ISN'T a simple Sunday drive. George practically breaks his neck to return the ball.

WHAT A LIFE! Michelle sure thinks this is better than studying.
PEOPLE

Thoughtfulness and silence was always be found at U-Math, along with a bit of fun. Shown on the following pages are the 1986-87 student body.
THE BIG HASSLE
FOR THE
LITTLE TASSLE
The seniors of 1983 are special people, for they have made great accomplishments in many fields. This class has one of the highest grade point averages ever obtained at U-High. There were more students enrolled in advanced math and in physics than ever before. The seniors of '83 were the first to take the New Computer Science course offered at U-High. The sports team soared to great heights this year under senior leadership. Brian Kunchen earned a football scholarship to LSU, and Oliver Brown received a basketball scholarship to LSU. The seniors of 1983 gained valuable experience from University High and hope to have given something back to their school.

STUDY HARD ... Dick and Jeff cram for their next exam.
GENTLE GRIMES ... Paul rehearses for his part as the bad guy in the senior play.

CONCENTRATION ... Mary works diligently to make her artwork turn out just perfect.

I CAN'T BELIEVE ... Mina can't believe all the homework she has for tonight.

11 YEAR SENIORS are special, too: Bill Cooper, Mackie Vick, Kathleen Hildreth, Bruce Wright.

SENIOR CLASS OFFICERS: Bill Cooper, President; Bob Martin, Vice-President; Tim Williams, Treasurer; Mark Field, Student Council Representative.

ALL THE PRESIDENT’S MEN...

In the spring of '82, our principal, James Fox, began interviewing teachers for openings in the University High teaching staff. Several teachers were chosen to fill these positions. The teachers chosen were Mr. Steve Delacruz, Mrs. Sue Fowler, Mrs. Barbara Fishberg, and Mrs. Lorena Turner.

By the time fall came around, all the teachers were anxiously awaiting the beginning of school. They brought out their old and new teaching materials and began preparing for the new school year. Finally, the opening day arrived, and the students poured into the school with as much enthusiasm as the teachers. The year began with a bang, and the enthusiasm of the faculty increased with the beginning of football season. The faculty was devoted to supporting the football team and attended most of the games and prepared special pep rallies shown to raise the spirits of the football team.

Soon Christmas time rolled around and the faculty enjoyed a well-deserved break. They came back to begin a new semester with renewed enthusiasm. They encouraged learning to its greatest extent and did an excellent job of preparing the students for the future.
