ICE CREAM SOCIAL

The annual Ice Cream Social started the school year on a high note. After consuming tons of ice cream, the students got to enjoy conversations with their old friends and at the same time they got to meet new friends.

The Spaghetti Supper was a blast as well. The faculty, students, and parents alike were treated to a delicious spaghetti dinner that was sponsored by the cheerleaders, boosters, and spirit leaders.

These two activities were definitely a cool, satisfying way to begin 1989-90 school year!

The annual Sadie Hawkins Day returned with its usual array of fun events. The middle and high school students enjoyed traditional games like the football throw, face painting, hay rides, and seed-splitting contests. And, of course, there was the marriage booth! When night came the hillbillies danced away at the annual Sadie Hawkins Dance. Altogether it was a great way to spend a day and night.

T.W.I.R.P.

Everyone loved the T.W.I.R.P. dance. Sponsored by the Spanish and French Clubs, T.W.I.R.P. is the last dance of the year. As usual, the DJ was rocking, the music was pumping, and everyone was dancing.

SPIRIT WEEK

The gym was filled with cheers and laughter as the Junior Welcome Everyone to Their Fantasy Life. After weeks of pre-planning, each grade came up with their own crazy ideas, making posters and locker stickers to illustrate the theme. The seniors won the trophy again. Whether they were freshman Rockers, sophomore Roadrunners, junior Islanders, or senior Monarch Turtles, the Cubs dominated over the game against Sunshine.

Quiz Bowl

For the second year U-High's quiz bowl team competed in the Baton Rouge league. Starting the year with a scrimmage victory over St. Joseph's, the team was ready to enter the tournament. After victories over Trasino and Delmar, our team lost to McKinley. They then rebounded and beat Zachary and Catholic, before losing to Baton Rouge High on the last two questions. The team finished third overall, after McKinley and Baton Rouge High.

Presidential Classroom

This year five students attended The Presidential Classroom For Young Americans in Washington, D.C. Even though the students did not get much sleep, they enjoyed listening to and asking questions to Washington dignitaries. Other activities included touring Washington and visiting Capitol Hill.

Mock Trial

This year U-High's Mock Trial Team did very well. While we were defeated in the Northeast in the preschool first round, Scott Pitman, Ryan Moore, and Susan Burdette were selected as Mock Trial stars. This year's case involved a woman stopped by drinking and driving. The defense team won a case against Notre Dame, while the prosecution team was being defeated by Catholic.

N.A.I.M.U.N.

For the first time a University High Delegation attended the North American Model United Nations in Washington, D.C., the most competitive event of its kind in this hemisphere. The delegation was made up of Deborah Caron (Canada), 306 of the best students in the Americas, and the event sponsored by Georgetown University. During the four days of N.A.I.M.U.N., the U-High delegates were busy forming blocs, speaking in committees, and writing resolutions.

The Student Council prospered this year with the help of Dr. Hope and President Clint Jackson. The Student Council participated in several exciting activities. The year started off with the first meeting and the new student Bar-B-Q on the summer. Then came the lock-in at Charlotte's house. After that the Student Council sponsored Homecoming, Winter Formal, Spirit Week, and Student Council Week. This year two new clubs were added to the Student Council: Spanish National Honor Society and Science Club. This has been a great year for the Student Council.

NATIONAL HONOR SOCIETY

Members of NHS are chosen from students in the junior or senior class who have maintained a 3.5 cumulative grade point average and who have demonstrated outstanding leadership, service, and character. It is the highest honor that the faculty can bestow at University High School.

This year Hi-Y had great success at Model United Nations and at Youth Legislative. At Model United Nations some of the most active speakers on the General Assembly floor were Scott Stehlin and Michel Raggio. Cleve Lancaster helped write the Security Council resolution, and two Economic and Social Council resolutions were passed. At Youth Leg the bill sponsored by Cleve Lancaster and Scott Pitman passed both houses and was named runner-up best House bill. Overall, Hi-Y soared in 1989-90.

**FRENCH CLUB**

The French Club participated in many activities this school year: The club had fun as it worked at the LSU football games to raise money for the AFS scholarship fund. The club also sponsored the traditional noon toss on Sadie Hawkins Day. Foreign Language Week provided everyone with work to do and the lunches provided the treat for a fun-filled school year. To top of off the year, the French Club put on their annual French Träume. The whole year was filled with fun!

**SPANISH CLUB**

This year the Spanish Club had a very active year under the leadership of President Christina Cooper and Co-Presidents J. J. Everyone loved the nacho festa, and the Pin the Luck turkey was a huge hit. Some of the more serious activities of the Spanish Club included sponsoring a gift in Guatemala and setting up for the Foreign Language Festival. The year ended with the Spanish and French clubs sponsoring the T.A.F.F. dance and having an end of the year crab feast. Oh, and don’t forget: "This is the best place!"
ART CLUB

President and Vice President of the Art Club were Denise Habert and Pam Ellingsworth. The club officers included: Vice President Ryn Ellingsworth, Secretary Joel Diamond, Treasurer Charles Coe, and Publicity Officer Charlie Coe.

This year the Art Club enjoyed a renaissance of interest and activity. This was in part due to the dedication and hard work of the Art Club members, who devoted many hours to creating art projects and participating in various events. The Art Club continued to host lively and engaging events throughout the year, including art shows, workshops, and social gatherings.

This year’s Spirit Steppers were chosen in March of ’89 by a panel of L.S.U. Golden Girl. The group became a team at the American All-Star Camp at L.S.U. in June. It was here that several members — Rebecca Buddley, Ashley Cowart, Lauren Deartial, Mary Stevens, and Charlotte Taylor — were invited to dance in Hawaii. During the week, the team as a whole was invited to perform during the half-time show at the Super Bowl. At pre-game dinners, in the stands cheering, even in the middle of practice, the girls managed to have a blast. Officers were Rebecca Buddley, Captain; Lauren Deartial, Co-Captain; Ashley Cowart, Secretary; and Mary Stevens, Treasurer.

The 1989-90 cheerleader squad consisted of nine members. Senior captain was Cindy Bowman. Other senior cheerleaders were Rond Plaisance and Holly Bestfield. Juniors were Jeri Johnson, Miriam Kantrow, and Sarah Nevins. Sophomores were Alison Grand, deShea Stelly, and Emilie Hirschey. The group worked hard all year keeping the Cub spirit going. They were also selected as one of the top five squads at NOAA camp during the summer. Though they were lots of newcomers this year, the cheerleaders did a great job of cheering at pep rallies and raising Cub spirit at both basketball and football games.

As usual, the Boosters had an active year. The major responsibilities of the Boosters were making posters and cheering at football and basketball games. Even though it was work, the Boosters loved it. Under the leadership of Mrs. J. and Mrs. Pieberg, the Boosters had a wonderful year.

Junior Boosters this year were Casey Cairns, Sheryl Moon, Andrea Vega, Margaret Fowler, Matt Clayton Johnson, Jennifer Sibb, Lynn Fasheboin, Rebecca Mathes, Aan Boethal, Amy Jeter, Allen Pruett, and Robyn Scheffy.
SPONSORS

MOLLIE HIRSCHLEY

"Being a sponsor has meant a lot of work, but it has also created many special experiences that I was lucky to have. I'll always have many fond memories of my senior year because of being a sponsor. Thanks!"

RYN RUTLEDGE

"Throughout the year, I was always being told why I would want to be a sponsor. Well, it is simply impossible to make any understanding of what it's like to experience being a sponsor. I had no idea until I had the opportunity to be one for myself, and I wouldn't trade this experience for anything."

Because of their hard work and dedication, Mollee and Ryn have earned the love and respect of the IHS Athletic Department.

* Denotes District Games

The highly acclaimed University High Rugby Team in the 1989 season as the defending Class A District Champions. The season looked very promising as the team Theolofia was led by quarterback Jeff Crow, and the defense was led by Alphonse Williams and Mike Sted. But the first game proved to be a bad loss for the Cubs, a loss to the Episcopal Knights. After that game the Cubs flew up an eight-game win streak completing the regular season. Events included in this streak was an injury on the part of Jim Riffle, the starting quarterback. Traffin into the starting role was back-up Brannan Naden who in his debut many more duties than planned. Ascension Catholic and Louisiana's affluent yardage gaffer, running back German Williams. In this victory the district championship was clinched. The Cuban football team was on a roll having fully dominated most of the opponents on their schedule. In the playoffs the Cubs met Vermillion Catholic and then disposed of Riverside. In the quarter-finals, U-High defeated a highly talented team in South Cameron before playing their rival Oak Grove. The latter game proved to be a great game so the Cubs lost a heartbreaker, 14-7. Nonetheless, the Cubs had a tremendous season in which all of U-High should take great pride.

TENNIS

Under the leadership of team captains, Abby Berg and Kaitlin LeCure, the 1990 U.S. tennis team captured a championship in Division II (a division that includes AA and AAA schools). The team, featuring the doubles team of Kaitlin LeCure and Emily McMillan, finished the season with a 9-1 record. The team made it to the semi-finals. Other players who contributed to the team's success included Lin Li, Amy Ernst, and Emily Klevens. Honored for their outstanding play, the team featured Kaitlin LeCure as the number one singles player, Abby Berg as the number two singles player, and Lin Li as the number three singles player. The team's success was due to the hard work and dedication of the team members.

Is this what doubles matches are all about?

“I prefer tennis...” “No, the backstroke provides a better bounce...” “The cross-court shot is my weapon...” — the tennis team talks strategy.

Mason H. Robinson.

The Silencer

The Silencer. He stands and watches
All that passes by
Taking in the Who and What
And pondering Why

He's guided us quite subtly
By setting mind e'er matter
Seeing both the good and bad
Confronting the latter

His journey came to end this year —
At once — for once and all.
Exchanging superficial laughs
For silence in the halls.

We joined together, hearts in view,
Summoned by but one
The Silencer. He lives in us as
Mason Robinson.

SIXTH GRADE

The sixth grade had a great year. They all had a ball at their first dance. After finally mastering changing classes, they began to learn to have fun doing so. Classes gradually got harder, but they adapted to them. The class officers did a good job and the sixth graders adjusted well to having peers as leaders. Spending a night away from home with classmates at camp Win-a-Friend was an exciting new experience for all the kids. They set a great example for the up-and-coming sixth grade classes!

The 1989-90 Middle School Student Council had a highly successful year due to the dedication of its members and the excellent leadership of Lauren Smith, Martin Fowler, John Taylor Garrett, Anne Pettie, and Mr. Roberts. Throughout the year, they sponsored dances, the Toy and Food Drive, the Picnic, and the honor assemblies. The school board and administration wish to extend their congratulations to all the recipients of these awards and to wish them all the best in their future endeavors.
This year was a year to remember.
FRESHMEN

Going from 8th grade to freshmen in high school was a little scary, but once we got to know the upperclassmen, we felt more at ease. The freshmen had a great time at all the dances and enjoyed being able to attend them. For spirit week, the freshmen were "Walkin' on Sunshine" and had performers from the '60s, '70s, and '80s. Some of the performers were the Supremes, the Beatles, James Brown, and the Jackson Five. Though we enjoyed being freshmen, we were glad when the year was over and we were no longer the youngest group in high school.

SOPHOMORES

The sophomore class had a year packed with fun. The activities started with class productions of "The Crucible" in English and the fall collection trips in Biology. The first semester ended with all-night study sessions for exams and finishing up the plant projects.

After record-breaking freezes during the Christmas holidays, second semester started with torrential rains. No doubt this influenced the choice of "Rainbows" as the theme of our Spirit Week activities. Winter Formal and Mardi Gras holidays flew by, and the sophomores are looking forward to their Junior year. Here's looking at you, Class of '92.

Juniors

The junior year at J-High is said to be the toughest. With that opinion in mind, we did exceptionally well. We enjoyed getting our class rings — a lasting memory of our high school years. We made it through American History. It was tough, but we did it. Yes, we did get through Dr. Ehl's English III; it was quite an experience. Some of the juniors had the chance to experience Junior Service. That was enjoyable. We really had a great year, and we are impatiently awaiting graduation.
