Junior Beta Club

This was the first year for a Jr. Beta Club at U-High. The year was started off by inviting students with a 3.0 GPA to join the club. Then, at our first club meeting, officers were elected and we began planning for the initiation of members and officers. In April the Jr. Beta Club met in the auditorium and became the first Jr. Beta members at U-High. Everyone received an official Jr. Beta pin and signed the charter. Dr. Fabre and Mrs. Turner, our sponsors, and the members worked hard to make this very first year a success. Sally Richardson

Hi-Y

Youth Legislature

The 1994-95 U-High Hi-Y chapter was active throughout the year. Besides participating in the Sadie Hawkins fair and courtyard planting projects, Hi-Y members sponsored YMCA youth basketball games every Saturday for nine weeks. These activities helped members attend Youth Legislature and Model United Nations. Our attendance allowed us an opportunity to learn and participate in government procedures. By knowing how our system functions, Hi-Y Youth-in-Government members are able to move into the future with confidence in our ability to make positive contributions to our school, our community, and eventually our nation (Amanda Spain).

Girls' Soccer

This year's girls soccer team had a great year. We didn't have a winning season, but we worked hard and had a great time. The varsity team had their first win ever against Redemptorists. We practiced and played hard - even in the rain and mud. Our coaches, Patty Speaks and Dale Cooper, were demanding and, at the same time, encouraging and supportive. All in all, this year was a wonderful success for the team. We can't wait until next year.

A Year to Remember!
Editors’ Page

Creating the yearbook is a difficult task that would not have been possible without the aid of many talented people. We would like to thank our sponsors, Mrs. Young and Mr. McGehee, for their guidance and pizza; our Senior editors, Meredith Moore and Emily Redman, for the senior layout; and Mrs. Sessions and Mrs. O'Brien for their computer expertise. We would also like to thank the staff for their hard work and dedication after school every Tuesday, those members of the staff who put in long hours for yearbook during the summer, Sally for her captions, and, of course, Caroline for her white-out.

Good luck to y'all next year!
