I will look back upon the 2004-2005 school year as a pivotal time of growth and change at the University Laboratory School. As we peruse the pages of this volume of our history, we will smile to see the faces of classmates, friends and mentors, the reminders of our accomplishments, and the comparison of our old surroundings with the new surroundings in which we find ourselves today. Many thanks to the Cub staff for the time and talent each of you has committed to this commemorative work.

I would like to take this opportunity to commend our students, faculty and staff for your hard work and dedication. It is your commitment to excellence that makes the Lab School outstanding and unique.

Special congratulations are in order for the Senior Class of 2005. I am confident that the education and experiences you have received here at U-High will serve you well in life. We hope to have given you ample tools to prepare you for a future of promise. Know that you will be missed and you are always welcome to come visit us. We wish the best for your happiness and success.

I also would like to thank our students' parents. I know well the sacrifices you have made so that your children could have the opportunity to attend the University Laboratory School. Our academic, artistic, and athletic successes are also yours. Thank you for your commitment and your generous contributions, not the least of which is your time.

Sincerely,

In 2004-05 the elementary division of the Laboratory School became the first authorized International Baccalaureate Primary Years Program in the state of Louisiana. We could not have accomplished such a task without the dedication and support of our outstanding faculty and parent partners.

Congratulations to the Class of 2005! Seniors, we will miss all of you, especially those of you who served in the elementary classrooms and the main office this year. You have been great role models for our younger students. We hope you will continue to visit us in the future. You now have the opportunity to join and become active members of our Alumni Association.

To the Cub Staff- You have done an outstanding job of recording our memories of the 2004-2005 school year. Thank you.

GO CUBS!!!

Hey, look at my teddy bear!
Our paths first crossed in 1997 as you entered the fifth grade. No, I did not know you at the beginning of the year, but by April as we planned your transition into the middle school, you made your presence known to me, some of you more than others. Watching you change from tentative little kids in the sixth grade to confident young adults preparing to begin your next journey has been a wonderful experience. Your paths will go in many different directions, some close to home and others far away. My wish is that our paths will cross again.

Good luck in everything you do in the future. You have many choices. Choose wisely, ask questions, and always enjoy learning.

"These changes in latitudes, changes in attitudes, nothing remains the same."

-Jimmy Buffet

Science Olympiad

This year we folded a team of 11 dedicated students who met after school every Tuesday to prepare for the competition. The students built catapults, model bridges, and modified remote control cars as well as studied various areas of science. On Saturday, February 19, the ULS Middle School science team participated in the Region 2 Science Olympiad competition. The results are as follows:

First Place
Storm The Castle

Second Place
Bridge Building

Third Place
Experimental Design
Naked Egg Drop
Weight Stuff

Fourth Place
Microscopy

Senior Crawfish Boil

Cody, don't your roomies tell you not to play with your food?

Andrew and Sophia, can you take the spice?

Venice, Kendyl, and Brittany digin'

Wade, Lauren, and Shannon chill out and chew down!

The Seniors make sure to keep the crawfish boil a social event.

Lillias and Tassie enjoy their crawfish!
Senior Retreat

Tanner helps Rachel in a group activity.

Cody helps Dr. Smith and Mr. Altezan with the burgers.

What are you looking at, Benny?

Teamwork is needed to get balanced out.

Guess who won?
The boys beat out the girls.

Lauren, Kendyl, Alina, and Carrie smile for a group shot.
The seniors work together.
Senior

Crista Driscoll, of Moline and her beloved cat, has received the President's Award for Outstanding Service to the College. She has been an active member of the Student Senate and has volunteered countless hours in the community. Her dedication and commitment to her peers and the college are truly impressive.

Katie Fassler, a respected member of the volleyball team, has been elected captain for the upcoming season. Her leadership and athletic能力 will surely lead the team to great success.

Anne L. Johnson, who has been a member of the tennis team for four years, has been selected as the Most Improved Player of the Year. Her hard work and dedication have not gone unnoticed.

Senior Wills

Daniel Brown, of North Carolina, has decided to pursue a career in medicine. His passion for helping others and his strong work ethic make him a valuable asset to the medical field.

Lauren Black, of Chicago, has been awarded a scholarship to study abroad in Italy. Her love for Italian culture and language has driven her to pursue this opportunity.

Go, Cubs!
Baccalaureate

Senator Sharon Weston Boome delivered the Baccalaureate Address.

The junior classrooms decorated the auditorium.

Getting ready for graduation is always exciting - is my tassel on the right or left? Will my cap fall off?

We think we're ready! Let's go!

It's time to be recognized by name...

One last chance to sit in the Senior Section!

Senior Singers perform "You Lift Me Up."

One last time for "Friends."

Individual awards and diplomas are always "picture-perfect" moments.

To Erin Michelle Knight
With all our love from your parents & brother

Graduation is a time
For feeling very proud,
For thinking lots of lovely thoughts
And saying them out loud.
It's a time for feeling love
About to overflow,
And just before it leaps its banks,
To let the loved one know.
And so we're very proud of you
For being who you are,
For making something of yourself,
For making it this far.
We're proud because we are a part
Of everything you do.
This time it's the time to say how much
Love we have for you.

(Adapted from a poem)

We sincerely appreciate the faculty & staff of the University Laboratory School for opening your doors and hearts to Erin.

13-Year Seniors

The Class of 2005
After an entire year of hard work, computer meltdowns, lost pages, and the move, we did it! All 200 pages are done. We would like to thank the entire yearbook class for their hard work and dedication. Cody, we would have been lost without you and your camera. Yearbook 1, y'all were awesome and we wish you the best of luck next year with the book. We would also like to thank Mrs. Young and Mrs. McGehee; there wouldn't be *The Cub* without you. Y'all pulled the whole book together and kept everyone working hard till we finished. Thank you for all the support; it's been a great experience and a lot of fun.

*Kendyl and Crista*
