Volume 68
University Laboratory School
Baton Rouge, Louisiana
The 2008-2009 school year was once again a showcase for student and staff accomplishments. This past year, the school was recognized by ACT for its commitment to college preparation as well as the outstanding average score for our students taking the ACT exam.

Accomplishments and recognitions such as these are a result of a committed and professional teaching staff providing excellent learning environments for all of our students from K-12. Add to the tremendous parental support we have in the exemplary character of our students and the recipe for success is complete. On behalf of the University Laboratory School, I offer my sincere appreciation to our parents and students. Their ability and commitment to excellence is truly remarkable.

Special congratulations are in order to the Class of 2009. You are leaving Griffith with an educational experience that I trust will serve you well in the years to come. The legacy you leave is one that should make you all proud. You will be missed, but don’t forget that the door is always open for you to come back and visit. Best wishes to all of you.

Finally, I would like to thank the yearbook staff. We all enjoy the fruits of their labor and it is easy to forget how much time and effort it takes to weave such an important chronicle of the past school year. Here’s to you all and...
Faculty Recognition

Quote: “I haven’t heard that excuse since 1982.”
We celebrate the end of the year with Dr. Smith's famous "Steak and Shrimp" feast.

Mr. Loospe guides his Biology II IB class.

Mr. Bruce is hard at work grading papers.

Ms. Bickham answers a question.

Mrs. Decuir shows off the chemicals for the lab.

Coach Boussaint plans strategy for the next game.

Mr. Altazin loves teaching his freshman World History class.

Mrs. Perry breaks between songs.

Mrs. Rosenfeld lines her class up for lunch.

Mrs. Guillot is working hard.

Mr. Ley stops to smile for the camera.
Elementary students are always ready to learn — and they think school is REALLY fun.
Congratulations to the Class of 2009 on a wonderful school year and to this year’s Cub staff and their advisors. As our students look through this yearbook, I hope they will remember all the staff members who have worked to help them succeed—teachers, secretaries, counselors, administrators, coaches, custodians, food service workers, parents, volunteers and so many others.

Seniors, we will miss all of you, especially those of you who served in the elementary classrooms or the elementary office. You have been great role models for our students. We hope you will continue to visit us as members of the UHS Alumni Association.

And to my fantastic group of 5th grade students, I will miss all of you. You did an incredible job in the Exhibitions. I’m so proud of what you have accomplished.

I also want to thank the dedicated professional staff in the elementary division. You are a remarkable group of educators and I’m so proud to be your colleague. Words cannot express how grateful I am for all you do each day to support and educate our students.

GO CUBS!

Finally... time to relax.
Middle and High School Principal

When I arrived at the Lab School in August 1997, you (the Class of 2009) were entering the first grade. You were so little with so much ahead of you. I have looked through the 1999 yearbook and reminisced about my 12 years here. No doubt your memories are different from mine. I trust your memories are good and you leave these halls with a bright future.

At the Lab School, from kindergarten to the twelfth grade, you have set the foundation for the rest of your life. Throughout your lives, just as in high school, you will have choices to make. We trust that we have helped you make good choices and directions in your future.

I am confident you will all be successful in your pursuits after the Lab School. Your future is yours. Remember the friendships you have had here, the teachers who have helped you find your way and the great Lab School community. Please stop by when you are in the neighborhood and have a wonderful life.

Whether we’re in small groups, working, or roamin’ the halls... whether we’re being cool, working hard, or showing our spirit... whether we’re posin’ or chillin’...
WE DO IT WITH STYLE!

All good things must come to an end and now that the yearbook is finally finished, we would like to tell you that this year was just one big party. However, it didn’t go as smoothly as we thought. Throughout the year we’ve experienced missing pages, computer breakdowns, and pictures that just didn’t have enough PPI!! We would like to thank Mrs. Young for being a dedicated sponsor to the yearbook and, although it is her last year, we couldn’t have done it without her! We would also like to thank the staff for all their hard work and patience. Many thanks to Dr. Vlosky, Mr. Lloyd, and so many others for providing us with pictures, pictures, and more pictures. Without their help there would be very few pictures. We want to wish the best of luck to Anna and Karin for taking on the task next year!

Much love,

Melanie Schittone and Victoria Hall
