As you look at this yearbook through the years I trust the memories will remain cheerful. This year has been a tremendous success, due in no small part to an incredible and committed faculty, an outstanding student body, and unbelievably committed parents and stakeholders. Thanks to all of you for a JOB WELL DONE!

To the seniors: may your paths be straight and wind gentle at your back. You have all distinguished yourselves while here at UHS and you are always welcome to come back to visit.

Go Cubs!

Dr. S
Since 1945, The University Laboratory School has represented excellence in education. "Club Pride" is more than a motto. It is a feeling grounded in the reality of great accomplishments in academics, athletics, and extracurricular activities. As a member of our community, you, the Class of 2013, have contributed in many ways to our rich tradition.

Now it is time for you to depart these hallowed halls through which you have passed from kindergarten to the twelfth grade. Your presence here will be missed and we trust you will cherish your alma mater. My gentle admonition to you as you go forward is: work hard and play hard and always in that order.

We are so proud of you Alex Hadley!!
May all your hopes and dreams for a bright future come true!

Love,
Mom and Dad, Dr. and Mrs. Wharton (Maw Maw and Paw Paw) and your whole family.

You have grown up to be quite a remarkable lady, filled with love and compassion for everyone that you encounter. Since the day that you were born we knew that God had a very special plan and design for your life.

You simply being you, caused many to love and adore you. We are all so very proud of you. Words cannot truly express how much your family cherishes your being a part of our world. You have set a wonderful example for your cousin and sisters.

Take God with you everywhere you go and the challenges that you will face in life as a young adult will not overwhelm you. Always remember the values that you’ve been taught throughout your life and do not ever compromise yourself for anyone.

We are extremely proud of your accomplishments these past 13 years at the University Lab School and we look forward to sharing the college experience with you. This is just one of many milestones on your road to success.

Take a bow for a job well done. Congratulations!!

Love,

The year has finally come to an end and the yearbook staff has worked hard to make this the best yearbook yet. The staff made it through 2012, allowing us the create a new beginning. After all, “It didn’t end for us!” We would like to thank Dr. Turner for her patience and creative mind while helping advise us on creating an amazing yearbook. I hope this yearbook holds all of your favorite memories for many years to come. I wish the 2013-2014 staff all the best and good luck!

Love,
Jordan Cleary
