Vehicle Registration and Parking

Like other LSU students, Laboratory School students who park on campus are required to purchase a parking tag. They must comply with LSU Traffic and Parking Regulations any time they bring a vehicle on campus. Both LSU and Laboratory School authorities assume that any student who drives a car on campus has read and understands the LSU Traffic and Parking Regulations.

In general, any vehicle brought on campus – even a temporary one – must display a parking permit (hangtag) issued by the LSU Traffic Office. Vehicles can be parked only in those authorized spaces designated by the type of parking permit displayed. Note: THE VEHICLE IS NOT REGISTERED UNLESS THE PARKING PERMIT IS PROPERLY DISPLAYED.

The main Laboratory School parking lot next to the elementary building is reserved for faculty and staff. Students must park in the Isaac Cline lot. If the student lot is full, the proper procedure is to go to the fraternity lot which is adjacent to the Isaac Cline lot. (See UHS Campus map and/or the LSU Traffic and Parking Map). Parking on grass is not allowed.

Visitor Parking

Visitors and parents should park in the parking garage located on the corner of Raphael Semmes and East Campus Drive.
