## 8TH GRADE INSTRUCTIONAL PLAN

### PHASE 1  
**ALL VIRTUAL**

- Teachers will post video lessons in Google Classroom for students to watch. We will also have Google Meets with each class during their regular class time to answer questions and have class discussions.
- Attendance will be based on a daily assignment/question in Google Classroom or MyMathLab.
- All assessments would be computer based in Google Classroom or MyMathLab. Projects and writing assignments will be given in Google Classroom.

### PHASE 2  
**HYBRID FACE-TO-FACE & VIRTUAL**

**Face to face days**
- Students will have notes/regular lessons. There could also be re-enforcement of topics from the video lessons.
- Attendance will be taken in the traditional manner.
- Traditional assessments will be given

**Virtual Days**
- Students will watch video lessons in Google Classroom and work on assignments.
- Attendance will be based on a daily assignment/question in Google Classroom or MyMathLab.

**Virtual Fridays**
- There will be Google Meets with each class during their regular class time. There could also be an assignment as re-enforcement of lessons from the week.
- Attendance will be based on a daily assignment/question in Google Classroom or MyMathLab.

### PHASE 3  
**ALL FACE-TO-FACE**

- Teachers will provide direct face to face instruction on content as well as lead class discussions and reteach topics as needed. Video lessons could still be posted in Google Classroom.
- Attendance will taken in the traditional manner.
- Traditional assessments will be given.

### INSTRUCTIONAL INFORMATION (OFFICE HOURS)

- Office hours will be 7:20 – 7:40 am and 3 – 3:20 pm and during planning periods.
- Teachers will be available to parents by email at any time and by Google Meet/phone conference during our office hours.
- Teachers will be available to students by email at any time we are not face to face and by Google Meet during class time (phase 1 and Fridays during phase 2).
