### MIDDLE AND HIGH VISUAL ART SCHOOL PLAN

#### PHASE 1  ALL VIRTUAL
- Content delivery will be through virtual synchronous (real-time) instruction using Google Meet or Zoom as well pre-recorded videos and content practice.
- Attendance will be based upon who attends the synchronous instruction, or who has watched the pre-recorded videos once they have checked in at the beginning of class.
- Project-based and online assessments will be given.

#### PHASE 2  50/50 HYBRID - FACE-TO-FACE & VIRTUAL

**Face to face days**
- Content will be delivered through direct instruction and facilitation of class discussions. These lessons will be recorded and posted to Google Classroom for students who aren’t able to be in class that day. Traditional assessments will be given. Attendance will be taken in the traditional manner.

**Virtual Days**
- Students will practice content through assignments or watch a pre-recorded video of new content. Record of watching the videos and checking in on Google classroom in the first five minutes into class will be used for attendance.

**Virtual Fridays**
- Content delivery will be synchronous instruction via Google Meet or Zoom or asynchronous instruction via pre-recorded videos. Fridays students will post up their project and 500 character summary. Students will upload their submission and will have a Meet for critique noting attendance.

#### PHASE 3  ALL FACE-TO-FACE
- Teachers will provide direct face to face instruction on content as well as facilitate class discussions and reteach as necessary. Traditional assessments will be given. Attendance will be taken in the traditional manner.

#### INSTRUCTIONAL SUPPORT
