ULS 8th Grade Panama Exchange

established in 2013 as an exchange program for ULS 8th grade students with 8th graders at the Metropolitan School of Panama, “the MET”

Hosting an Exchange Student

Get ready for a new family member! Your exchange student is here to learn about American culture as it exists in your family. Inviting your student to participate in whatever your family would normally do should be the primary goal. It is not required the exchange student has a room to themselves, sharing a room is perfectly acceptable. If your children are involved in after school sports or activities the exchange student should follow along; no need to go out of your way to make special accommodations.

2018-2019 Travel Dates

- MET students arrive mid-October (estimated date October 15th) and stay approximately 2 weeks (estimated departure date October 28th)
- Lab School students travel to Panama for two weeks mid-February to early March (exact dates to be confirmed fall 2018)
  - while in Panama ULS students will have study hall time to complete school work provided by ULS 8th grade teachers
